

# Split!

Dear Customer,

As we move into *Split's!* 10th working year, we recognize the need to get the word out, and demonstrate the value *Split!* brings to our customers.

*Split's!* clearly defined differences are:

- *Split!* is a patented Non- Detergent cleaner.
- *Split!* will clean heavily soiled hard and soft floors and bring your hard floors and carpet back to original.
- *Split!* will remove all the residue and soil that was left behind from using detergent based cleaners.
- *Split!* will leave no residue.
- *Split!* will remove all ATP (Adenosine Triphosphate) while getting a reading of ZERO on an ATP meter.
- *Split!* requires no dwell time to remove all ATP.
- *Split!* is Green Seal Certified.
- *Split!* has professional tools for training your employees.

Please go to the *Split!* website - <https://www.splitcleaning.com/>

We look forward to contacting you and setting up a time to demonstrate *Split!*

Sincerely,
