Letter of Continuing Guarantee ***Split!*** Restorative Cleaner

This Letter of Continuing Guarantee certifies that ***Split!*** Restorative cleaner is safe and effective for general cleaning of all surfaces in food processing plants (including USDA inspected facilities) and food service facilities when used as directed. There are no use limitations for this product other than it should not come in contact with food and is not to be used in excess of its functional purpose.

Split! Restorative cleaner is a concentrated, non-foaming, non-detergent cleaner that actually removes sticky detergent residues left behind from previous cleaners. It contains no bleaching agents, enzymes, or dyes, and it has no scent at all. Thoroughly removes organic, non-solid molecules from surfaces including grease, fat, oils, blood, proteins and more.

Split! Restorative Cleaner:

- NSF listed Nonfood Compounds A1 General Cleaner for use on all surfaces.
- Conforms to the profile of the USDA's former A1 Compounds requirements.
- Complies with the Federal Food, Drug, and Cosmetic Act.
- Conforms to Food Safety and Inspection Service (FSIS) Sanitation Performance Standards Compliance Guide.

Prior to using ***Split!*** Restorative cleaner all food products and packaging materials must be removed from the area or carefully protected. After using this product on food contact areas, surfaces must be thoroughly rinsed with potable water.
