

Camel

Low Moisture Cleaning Machine

Combined with our non-detergent *Split!* cleaners and our *Split!* two pad system will out-perform any other carpet chemical and delivery systems in side-by-side testing. Ideal for carpet and hard floors. Made in USA.

Ergonomic operating trigger and toggle switch under handle provides easy activation of electric sprayer.

Extra heavy-duty spring steel cord strain relief.

Low 65 decibel operation, no odor cleaning, carpets dry in 15 min!

Heavy duty spill proof solution tank for front mount sprayer or center-feed options.

Front mounted machine sprayer for precise solution application.

Reduced amp draw and current usage, 9 amps vs. 15 in comparable units.

Unique circular spray pattern provides complete coverage without wetting baseboards, walls or furniture.

180 Frame 1.5 hp motor, much stronger than conventional 1.5 hp motors. Totally enclosed, fan-cooled for longer motor life.

Non-Marking Wheels

Complete Chrome Covers

Provides more downward pressure than competitive models, weighs 126 lb empty!

Thumb operated safety switch

UL/CUL Approved

Variable position lock handle conveniently positioned for ergonomic ease, no bending!

| Warranty | 3 years parts, 1 year labor |

Camel Accessories

Unique Brush-n-Bonnet Pad Driver for maximum low-moisture cleaning results. Provides the perfect amounts of agitation and moisture needed to split stubborn soils, stains and detergent residues.

Slotted Cleaning Pad for the first of two steps. Synthetic blend to split/clean the soil, yet not absorb the split material. Has slots to allow brushes from driver to agitate soil.

Cotton Wiping Pad for the second step. Cotton blend designed to absorb split material as it dries the carpet fibers. Over-sized to allow wiping of baseboards, etc. .

Clean Grit Brush with multi-level bristles to get down into grout as it scrubs the floor. Fine bristles work well in small and large grout lines.

Split! Non-Detergent Cleaning Products

With **Split!** Non-Detergent cleaning products and your **Camel** Low-Moisture floor machine, there is no job too difficult. Our unique **Split!** Non-Detergent cleaning products are incredibly powerful yet they contain no solvents, no VOCs, no oxidizing agents (like hydrogen peroxide), and no odor!
